PRESENTS:

SHIMAUMA

Oh right, I was totally doing this series.
Well, here you go

Due to the way chapters in Shimauma are structured, releases will **NOT appear according to any particular schedule**. 7 volumes are out now, plus one Gaiden. I am using public RAWs and as usual I'm doing everything on my own. If there are typos or funky copy paste botches, that's why. Basically everything left untranslated is sound effects. There are too many and I am too lazy to deal with them.

WARNING!
PRODUCT CONTAINS:

- BLOOD AND GORE
- CRUDE HUMOR
- INTENSE VIOLENCE
- MATURE HUMOR
